

Fall Class Schedule 2009-2010

*At Pillar, we use age as a guideline to help determine appropriate placement of our students, however, we do not keep any students in a class that is clearly not to his or her level. Changes are made during the first few weeks of class to properly group students in the best classes to suit each child individually.

*All classes are subject to slight variations in time, especially in the first few weeks of the season. This is in order to be most accommodating to all class participants. **Low enrollment classes (Classes with three students or less) may be cancelled.** Should you have any questions, please do not hesitate to ask at registration.

Fall classes begin September 14, 2009. The dance year concludes with the June recital tentatively set for June 26, 2009. We have ongoing enrollment from August 2008 to January 2009, space providing

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
